### **ONLINE LEARNER ADMISSIONS FOR 2022 ACADEMIC YEAR**

#### **FREQUENTLY ASKED QUESTIONS**

**1. When can we start applying to schools for 2022?**

Online applications will open on 1 June 2021 at 09:00 and close at midnight 25 June 2021.

**2. Do parents have to complete hard copy Application Forms at schools when they go to apply or submit documents?**

No. The NCDoe's Learner Online Application System at [www.ncdoeadmissions.org](http://www.ncdoeadmissions.org) is the only official application that parents need to complete when applying for Grades R, 1 and 8 at public schools.

**3. Where should I go to apply?**

Please visit [www.ncdoeadmissions.org](http://www.ncdoeadmissions.org) to register as a user and then log in to the system using your chosen username and password. **Note that ALL parents must re-register, since access will be denied to parents who registered last year.**

**4. Is the Learner Online Application System available for applications to all grades?**

No, the system is currently only available for applications to Grades R, 1 and 8 in public schools in the Northern Cape.

**5. Will Grade R learners be required to apply online?**

Grade R learners must apply online to public schools that offer Grade R. Grade R is not part of formal schooling; therefore, learners will ONLY be offered the available spaces and NO new classes will be created for this grade

**6. What is the admissions age of a learner who is going to Grade R for the first time?**

The South African Schools Act 84 of 1996, determines that the **minimum** age for admission to Grade R is age four (4) years turning five (5) years by 30 June in the year of admission.

Given the compulsory age for grade 1 and the limited spaces available at schools, **schools should only admit Grade R learners who are age five (5) years turning six (6) years in the year of admission.**

Schools should note that Grade R learners who are age four (4) years turning five (5) years by 30 June in the year of admission will only be admitted after all the age five years turning six years have been admitted in the district.

**7. Is a parent required to submit a Grade R Report Card when applying for Admission to Grade 1?**

No. Grade R is not part of formal schooling; therefore, no report card is required. A Grade 7 report card must be submitted when applying for Grade 8.

**8. What is the admissions age of a learner who is going to Grade 1 for the first time?**

The South African Schools Act 84 of 1996, determines that the **minimum** age for admission to Grade 1 is age five (5) years turning six (6) years by 30 June in the year of admission.

The South African Schools Act 84 of 1996, determines that the **compulsory** age for school attendance is the age of seven (7) years in Grade 1.

Given the compulsory age for grade 1 and the limited spaces available at schools, **schools should only admit Grade 1 learners who are age six (6) years turning seven (7) years in the year of admission. Schools are allowed to deviate (for 2016 only) by admitting learners who are age five (5) years turning six (6) years by 30 June if they are currently in Grade R at the school.**

Schools should note that Grade 1 learners who are age five (5) years turning six (6) years by 30 June in the year of admission will only be admitted after all the age six years turning seven years have been admitted in the district.
